Lawyer Dashboard (after login)

- **Purpose:** Manage assignments, earnings, settings. Only accessible to *Active* lawyers.
- **Sections/Tabs:**
 - **Assignments (Calls):** List of pending and past consultations. Each entry shows date, client issue summary, status (Assigned/In Progress/Completed). Buttons: "Start Call" (if scheduled now) or "Cancel" (only if not yet called).
 - **Schedule:** Calendar or list of upcoming confirmed calls. (Could be same as Assignments.)
 - **Earnings:** Earnings summary tile (total earned this month), number of calls, revenue. Possibly a simple chart.
 - **Availability:** Toggles or schedule editor (like Google Calendar slots).
Indicator: "Currently Available/Not Available."
 - **Profile:** Link to update public profile info (bio, photo). Also view verification docs status (read-only).
 - **Settings:** (see below).
- **Mobile Layout:** Tab bar at bottom (Calls, Earnings, Profile, Settings). App-like style.
- **Key Microcopy:**
 - "No new assignments" message if empty.
 - For each call: "Accept Call" or "Decline" if an action exists.
 - "Your Earnings" headline.
- **Error states:** If no internet, show "Unable to load. Check connection." If 0 calls yet, show "No consultations yet – check back soon."
- **Accessibility:** Use ARIA live regions for assignment alerts ("New assignment available"). Ensure color signals (green/red) have text equivalents.
